

IOWA STATE UNIVERSITY

Department of Electrical and Computer Engineering

The Future is What We Do.

APPLY TODAY!

Seeking exceptional candidates

The Department of Electrical and Computer Engineering in the College of Engineering at Iowa State University in Ames, Iowa, invites applications for the position of **Lecturer/Senior Lecturer** in the areas of **electrical engineering, computer engineering, and cyber security engineering**. Appointments will be considered at all experience levels.

Responsibilities include developing and teaching a combination of undergraduate and graduate courses based on departmental need.

Successful candidates must hold an earned Ph.D. or M.S. degree in electrical engineering, computer engineering, computer science, or closely related field, plus four years of professional/teaching experience; or an earned B.S. degree in the same fields plus six years of professional/teaching experience. For consideration at the Senior Lecturer rank, in addition to the above, the candidate must have a minimum of ten years industry experience and/or college-level teaching experience.

Candidates must have demonstrated ability or potential to excel in classroom teaching at the undergraduate levels. Preferred experience includes working with and/or teaching diverse groups and/or diverse students; and having a strong record of knowledge and work experience in electrical, computer, or cyber security engineering.

All faculty members are expected to exhibit and convey good citizenship within the program, the department, college and university activities and collegial interactions and maintain the highest standards of integrity and ethical behavior.

Apply here: <http://www.iastatejobs.com/postings/36313> – vacancy #**800200**.

Review of applications will begin immediately. We encourage submission by **Jan. 4, 2019**; however, applications may be submitted until all positions are filled. Inquiries regarding this faculty search should be directed to Professor Joseph Zambreno at zambreno@iastate.edu or (515) 294-3312.

The Department of Electrical and Computer Engineering at Iowa State University is home to 55 faculty and is associated with 11 research centers and institutes. The department boasts 18 IEEE Fellows, more than \$13 million in funded research proposals and one of the largest ECpE enrollments in the nation.
