Incredible class, both interesting and fun in lecture, excellent materials selected.

The amount of reading each week was slightly exhorbitant, and I feel few people kept up.

Having assignments returned with feedback would have been good to know what is required grading wise, but the assignments were well-made.

Feedback from the TA/Professor on the proposals would be nice also.

Additional Comments:

Thank you for offering this course again.
 It was a great challenge and I enjoyed it.
 Suggestion: Please advertise the correct
 amount of readings. It was far beyond
 the 50-100 pages per week that you said.

Additional Comments:

Alex's lectures are very interesting and create a lot of discussion, but the lectures seemed long. If there were three classes of 1 hour instead of two 1.5 hour classes, I think my attention would be held better.
