

Clair J. Moeller

President and Chief Operating Officer

As MISO president and chief operating officer, Clair Moeller leads all aspects of the Operations division, including grid operations, forward markets, system planning, external affairs, information technology and corporate services.

Mr. Moeller is a respected industry expert with experience in the operation of power systems throughout the Midwest. He is skilled at identifying and implementing the best practices in transmission planning and operations.

Before joining MISO in 2004, Mr. Moeller was with Xcel Energy for 25 years.

Mr. Moeller completed the Oxford Advanced Management and Leadership course at Oxford Said Business School, the Executive Management program at the Carlson School of Business, University of Minnesota, and earned a Bachelor of Science degree in electrical engineering from Iowa State University.
