

Anthony N. Michel

Professor of Electrical Engineering, 1968-84

Anthony N. Michel was a professor at ISU for 16 years. Michel also spent seven years in the aerospace industry and was chair of the Department of Electrical Engineering at the University of Notre Dame, eventually becoming dean of their College of Engineering. He authored 12 textbooks and monographs and was a visiting professor at several universities in Germany and Austria. Michel was elected a Fellow of IEEE and served as president of the IEEE Circuits and Systems Society. He received the IEEE Charles A. Desoer Technical Achievement Award, the IEEE Centennial Medal, the IEEE Golden Jubilee Medal, and the IEEE Third Millennium Medal. Michel was named a Foreign Member of the Russian Academy of Engineering.
